AQ COMICS

Even though this comic is completed in one volume, it required a lot of courage.

However, the editing department said that 'It's fine,' so it's been brought to you as it is.

Some of it is over-the-top, yes, we're reflecting on it, and some of it was a real challenge to ourselves. Now that we think of it, there were many things going on. This is a work which we've put our heart and soul into drawing, and in which we have tried many ideas. We hope that you will enjoy it.

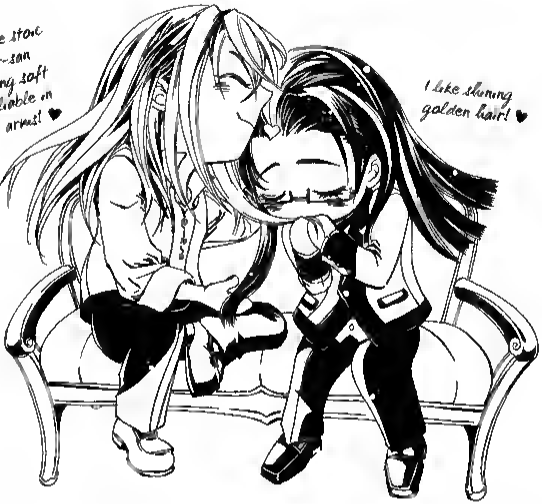
A KISS TO THAT HAIR ✣ END



This is a story about "hair fetishes," but calling it a story about "Butler Love" is more fitting. Raven-haired, bespectacled butler love ♥

We were careful to make sure that this person did not stand out. (It's the story of Suzaku and Souren)
We really liked his style, so we did draw his face, but decided that he'd definitely steal the show. So we had to hide his face in the end.

We were asked to do a series of anthology covers, so we decided that the theme would be "long-stemmed flowers." We'd considered lilies and roses but it's kind of embarrassing for guys to carry them (laugh) You can't tell from the above monochromatic version, but we really like the pretty orange and brown color combination in the illustration.

I'VE TOLD YOU BEFORE THAT MY DREAM IS TO COVER THE DESERT IN GREENERY, RIGHT?
YES
THE DESERT HERE IS FULL OF COLD AND NEGATIVE FEELINGS
REMOVE THE "NEGATIVITY"?
IN ORDER FOR PLANTS TO GROW THE "NEGATIVITY" HAS TO BE REMOVED
HOURAI ALLOWS ME TO TRANSFER THE "NEGATIVITY" THAT I REMOVE FROM THE LAND TO HIM.

IT MANIFESTS ITSELF IN DIFFERENT WAYS WITH DIFFERENT PEOPLE. CRUSHING DEPRESSION, HATE FEAR... IN HOURAI'S CASE IT'S FURY.
FEELINGS INCURRED FROM THE "NEGATIVITY" HAVE TO BE SUBLIMATED. FOR EXAMPLE, ANGER MUST BE SPENT

THE ACORNS AWAKEN AT NIGHT ✣ END

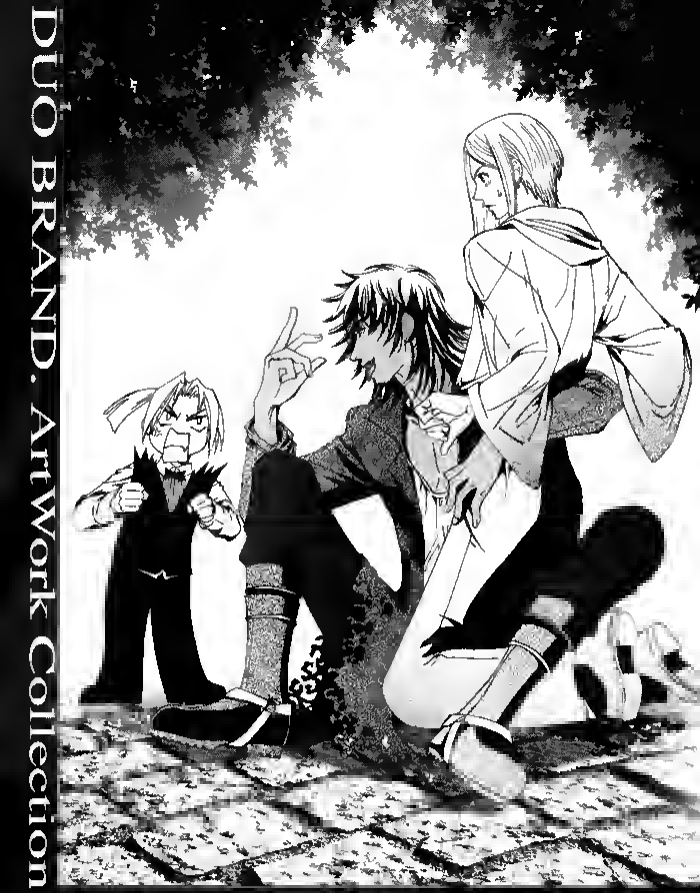
Master! Look! The acorns I've chosen have all sprouted!
Can I go out into the desert with you now?!
That's right.
Oh, a rival has appeared!

This story is in the first issue of a new magazine! And so, we took a great risk and decided to do a story on a young man and his master.

Duo Brand's youngest man character ever! (For a human)

◆ This is a robe for going out into the desert so there's a face patch to cover the lower part of the face. We saw this in a magazine somewhere, so we wanted to try drawing it once at least.

And this is a forum for those who like acorns too.



This is a character that hasn't appeared and in truth, it's someone that we've designed to be a very self-centered, proud guy who would snatch away his Master. We may want to do a (nervous laugh) "Middle-aged Man vs. Clever Youngster" sequel one day.

Even if the "Student Council" theme always brings up expectations of "school things" like uniforms we wanted to challenge it by drawing tradrtional kimono garb
We're really contrary artists (laugh)
But having plain clothes (or rather kimono) on the school grounds does seem a little out-of-place

Ah Kouya is so cute

⑨ When we were doing the character designs for this story, we decided to try making a seme that does not look like a seme and an uke that does not look like an uke.

It seems that this is the first time we've drawn a pairing where the uke is taller than the seme (though Tsuri in "Crimson Wind" was shorter than Sei, his heels and his presence made him not look so ♂).

⑩ The theme is "Student Council" so the Student Council President (Taki) made a guest appearance. During the cultural festival other Duo characters appeared in the school so try looking for them!

In continuation of the illustration on page 96, here is another Kimono-based picture. Even in modern settings, when we want to draw fluttering clothes, we draw kimono. Since it's a rare color illustration, we have to make it a worthwhile one! Thinking back, even though we're drawing kimonos, we tried to draw a normal sensei (one that teaches calligraphy!). This is an illustration where we enjoyed drawing the pen and ink stone.

Those words...
RE-REI?

The source of your fear..
If you're scared you can run away
Nagisa-senpai
I will eliminate it for you
I promise
Could it be that..?
HEY— COULD IT BE THAT..
YOUR BECOMING A KILLER IS..?
IT'S MY OWN SELFISH-NESS

Rei
IT'S MY OWN ANGER WHAT THEY DID WAS UNFORGIVABLE SO
I'M SORRY
I had forgotten that... For so long...
NAGISA-SENPAI...!
Ahh

Fire doesn't just burn
it also shines
Melting a frozen body
and warming it

I CAN'T STAY HERE AND CAUSE MORE TROUBLE FOR YOU
ARE YOU GOING?
THANK YOU
THE CHECK-IN PROCEDURES WERE ALSO COMPLETED WITHOUT A HITCH

I WANT TO TELL HIM THAT HE CAN STOP, BUT...
I WON'T GO BACK ON MY PROMISE
I'LL END IT ALL FOR YOU
Thanks to you I've finally realized that what's past is in the past
But I can't easily negate your last 10 years
SLOW
I THOUGHT THAT ONE DAY I WOULD WANT TO RUN AWAY FROM MY FEARS
ACTUALLY, I HAVE ONE MORE TICKET HERE
...WHEN THIS IS ALL DONE, CAN I SEE YOU AGAIN?
IF IT'S WITH YOU,
I CAN DEFINITELY ESCAPE.
!!!

I want them to melt...
SO HOW ABOUT IT REI?
THAT'S ROUGHLY HOW I FEEL
My fear and your anger
NAGISA-SENPAI
I'D BE MORE THAN HAPPY
If we're together that will definitely come true, right?
ESCAPE ✣ END

When drawing this story, my regular drawing pen was acting up so I filled in the small solid areas using a round zebra-tipped pen. Because of that the areas are thinner than normal but I was happy with the results.

Now I also prefer finer filled lines for hair. (But it's more painful for my hands)

This is the second illustration for the theme "Long-stemmed flowers."
This time it's the "Bird of Paradise" flower. It has a very bright combination of colors.
The flowers are yellow and so the theme color was set as green. The strength of digital art is that after applying colors, many things can be adjusted still. When completed, it turned out pretty brilliant, so we're happy about it. (Come to think of it, I haven't done any coloring except on colored paper recently~ *Laugh*)
